

“PUTTING A FACE ON ALBERTA’S PAST”

*****MULTIMEDIA CONTEST*****

FOR STUDENTS IN GRADES 7 to 9 ALBERTA WIDE
CONTEST DEADLINE FOR ALL ENTRIES IS APRIL 17, 2025

Alberta Champions Society is dedicated to recognizing Albertans who have made significant lifetime contributions to our province. Champions are recognized in our “Fields of Fame”, which are sets of monuments installed around Calgary and area. We wish to engage all Albertans, especially our youth, in our history and inspire them to make their own contributions to our community.

This is our **SIXTEENTH annual contest** where you can enter, learn about an Albertan from our past, share their impact and your inspiration, and win great prizes! Check out past winners [2024 Student Contest Winners - Alberta Champions Society](#)

A. RULES AND GUIDELINES FOR STUDENTS FOR ENTRIES

1. **Choose** one of the Alberta Champions listed on [The Alberta Champions website](#) or choose your own Albertan who has inspired you by their lifetime contribution (posthumous choice).
2. **Research and describe** this individual’s multiple contributions and impact. Ensure you understand the role the champion played in our past and how they stood out as a leader. Record your references in a bibliography.
3. **Reflect** how this individual has inspired you to pursue leadership, citizenship, to strive for excellence, to volunteer and/or work to “be a champion” at home, school, or in your community, both now and in the future. Be specific and provide detailed examples.
4. **Represent** all of this information in your entry. Your entry can be submitted in the form of a story, essay, poem, or other written format (up to 1500 words), a video (maximum 5 minutes), or another form of artistic expression.
5. **If your entry is not in a written format, a written explanation must be included.** The accompanying written explanation is your rationale explaining the project to the judges. You will need to include key research findings and explain how they are represented in your entry. You will also share the reflection piece of how this Champion has inspired you. You can check out the example of a rationale on the website.
6. **You have the responsibility to act with integrity to ensure the entire entry is your own work.**

B. TEACHERS

Check the Resource Section on the website for ideas around curriculum connections, research, bibliographies, sample entries, and more. [Contest Resources For 2024 Student Contest - Alberta Champions Society](#)

The more students who complete the project, the more students in Alberta are exposed to history! If you choose to do this as a whole class, please select the **top five entries** from your class and upload only those entries for judging. If you wish to have certificates of participation for all other students, please contact info@albertachampions.org

C. SUBMIT YOUR ENTRY

1. Fill in the entry form from the website [here](#)
2. **Use a Word format, not Google doc or pdf.** If you are submitting a visual/artwork, take a photo and include the required written explanation in a Google doc or Word attachment.
3. Include the parent permission form.
4. Submit the completed entry forms and your entries in digital format to info@albertachampions.org
5. Submit your entry by **April 17, 2025**

D. JUDGING

Judging of contest entries, including stories, essays, poems, other written work, videos and artwork, will be conducted by a committee. The committee will evaluate how well each submission:

- Demonstrates **comprehensive research** completed about the champion
- Establishes **how the champion was a leader**, and the **lifetime impact** that person had on the community
- Incorporates **personal reflection** with several examples of **how the student is inspired by the champion**
- *Represents the above information in the student's own words in an engaging, effective, and polished format*

Please note that all entries - regardless of format - will be judged using the same rubric found [here](#)
